RE: United States v. Matos
NO. 05-30001 MAP

Dear Bethany,

This letter is a follow up to my conversation with you last week.

I represented Mr. Belyshev in a criminal case in 1992. I spoke to him yesterday and he conferred that I did. As I told you, I no longer have a file, and the Clerks' Office and Probation Department records, other than a Docket Sheet listing another attorney, have been destroyed.

Sincerely,

Vincent A. Bongiorno
